

Asteroid Alert!

Asteroid Alert is the newsletter for the StAnD project. We will bring you news and information about the project, announcing new activities or sharing material, introducing participants and including short items related to comets, asteroids, meteors, space debris and planetary protection.

If you would like to contribute a short text about your participation or your students' achievements, please let us know! Send us your news to stand@nuclio.org!

STAND Summer School 2025 has successfully concluded!

Sun, Sea...and Meteorites: Highlights of the Second StAnD Summer School

This year the StAnD Summer School in Marathon, Greece, welcomed a lively group of 14 teachers from five countries.

Maths, physics and chemistry teachers worked alongside music and IT teachers during the week: remember that StAnD welcomes teachers of all subjects who are passionate about the night sky!
