

## Asteroid Alert!

Asteroid Alert is the newsletter for the StAnD project. We will bring you news and information about the project, announcing new activities or sharing material, introducing participants and including short items related to comets, asteroids, meteors, space debris and planetary protection.

If you would like to contribute a short text about your participation or your students' achievements, please let us know! Send us your news to [stand@nuclio.org](mailto:stand@nuclio.org)!

## StAnD Academy is Open!

Did you know that the StAnD now has its own Massive Open Online Course (MOOC) for teachers?

It's called the **StAnD Academy** and it provides essential professional development and support to educators participating in StAnD.

It is completely free and you can be awarded an EU-recognised **Open Digital Badge**!
